I have informed staff that I am not safe in this facility. While  
located in M.D.P. 0911-Black Red "59". Spoken with Case Manager, for help  
on several occasions concerning this matter. I was told to speak with the  
J. T. Thigpen and Lt. Foster. I did so on three (3) occasions, telling  
him the problem grew bigger the institution. Telling him how that my  
life is in danger i.e. Prisoner. Because I'd submitted a letter request  
to the Case Manager for help on the concern at least three (3) times.  
Occasions, telling him how to be advised of my situation about to take

proper chain, and that I needed to be made Right Now, as soon as  
possible, to the safety of my life, and health. To the best of my  
ability of the living quarter I was at "H.C.C. New Charles". That  
the Officer Official from New Hagerman was the Tower Officer at the  
time and he took down the tower stairway and open the door up.  
That when I was giving her the letter to the Case Manager, she took

"You're in danger. Who you wanted to Red Tag?"  
For that type of situation. After she supposedly looked every body

You can't do that? She put more serious harm to my case of
